6 Light Pendant

Like the Grecian goddess for which the series is named, Golden Lighting's Athena collection exudes strength and feminine grace. An updated, traditional style, Athena combines classic features with the clean lines of a more modern base. White, squared candles look and feel like real wax providing ample contrast to the darker layers of the Grecian Gold finish. The overall effect is beauty tempered by elegance. Ideal for a dining room, living room or entry, this 6 light pendant provides a glowing presence.
